

DISCLAIMERS

Website

LoveChineseMedicine.com & its derivative blogs, posts, downloads, & emails are educational and informational resources sharing ancient healing practices. None of the information contained therein is a substitute for diagnosis or treatment by a Licensed Western Medical Doctor. I cannot guarantee the outcome of following the recommendations provided and any statements made regarding the potential outcome are expressions of opinion only. I make no guarantees about the information and recommendations provided herein or through personal consultations & treatments. By continuing to interact with me and/or read LoveChineseMedicine.com & its derivative blogs, posts, & emails you acknowledge that I cannot guarantee any particular results, as such outcomes are based on subjective factors that are not within my control. Therefore, following any information or recommendations provided on LoveChineseMedicine.com & its derivative blogs, posts, downloads, & emails are at your own risk. If you need medical advice, you should consult a Licensed Western Medical Doctor.

Product Descriptions

I aim to describe and display my products as accurately as possible. However, I cannot guarantee that they will be completely accurate. Likewise, I cannot guarantee their uses for your particular circumstances and purposes. Please do not accept that the product descriptions contained on LoveChineseMedicine.com are entirely accurate, current, or error-free. Occasionally, I may correct errors in pricing and merchandise descriptions.
